

UNIVERSITY HEIGHTS LIONS CLUB

Tuesday - May 29, 2007

Lion Charles Hartwig (#51) was the winner of the Tail Twister's pot on the first drawing.

Mr. Jerry Casteel, from the St. Louis area, was a guest of Lion Bill Levins. Attendance this week was 22 members present.

The Mid South Lions Sight and Hearing Annual Auction will be next Friday, June 8th, in Memphis. Our club always purchases a table for eight. We presently have 2 places available. If you can attend, please advise Lion Brad Baker for details. This is really a fun event which is put on each year by Mid South.

Our next Flag Day will be June 14 for Flag Day. This is also the date for our June Board of Directors meeting. Come to the Board meeting early and afterwards put out the flags on your route. The Board meeting will be at 6:30 AM at H T Ponders Restaurant on Gee Street. Lions Ed Larson and Pat Snodgrass will address any problems you may have with flag brackets.

Lion Secretary Ed advises that Lions International has discontinued issuing the perfect attendance years tabs except in 10 year increments. If you have any tabs for previous years, please turn them into Lion Ed to be recycled for members attaining 100% attendance.

White Cane Days will be June 28 & 29. This is also the date of our installation of officers and awards banquet at the Jonesboro Country Club at 6:30 PM. Cost of the meal is \$14.25 per person. We will cut off working White Cane on the 29th to 5:30 or 6:00 PM.

State Representative Joan Cash was our program this week. Mrs. Cash is the widow of our former member Lion Claude Cash. Mrs. Cash talked about the 2007 General Assembly and the workings of the House of Representatives.

Let's remember Lion Ken Stallings' family as their grandson goes through surgery at Arkansas Children's Hospital in Little Rock.
